Circle which level of achievement below (1, 2, 3, or 4) that you believe you have accomplished on this project:

5 C's
+ Project Requirements

-Creativity
-Composition
-Comprehension
-Craftsmanship
-Completion

+Project Requirements
are different for each activity and
artwork. Different techniques and
concepts will be required to
demonstrate comprehension.

100 points How you are graded: (See the chart to the left)

_____**Craftsmanship**: Work is neat and clean, the entire piece is equally treated with a level of color and line application appropriate to the student's skill.

_____**Composition**: Design uses the paper well, figures and elements are placed in an interesting fashion.

_____**Creativity**: Work is original and shows unique artistry and approach.

_____**Comprehension**: Demonstrates understanding of how to design and construct a comic/manga style artwork according to the requirements on the left of this rubric.

_____ **Completion**: Work looks finished and has proper name label on the back. This rubric is turned in with the sketch plan and the final artwork.

_____**Project Requirements:** As listed on the back of this paper.
