

Name:

Period:

Grade:

Floral Painting (100 points)

GOAL: You must complete one drawing and one ipad painting of your floral arrangement.

Directions for the pencil drawing:

1. After the ipad users have taken their photo, arrange the flowers in an interesting display. (You may have to share floral arrangements with another student.)
2. Begin drawing a pencil outline of the floral arrangement. Follow the lines and shapes you see.
3. Carefully add colors and values (light, medium, and dark) into your drawing.

Technique Requirements:

Your floral arrangements should show *detail* and a *variety of value* (light, medium, and dark). (40 points)

Techniques Requirements will be graded based on:

Craftsmanship-Clean application of colors, textures, values, and details; shows time invested and conscious effort.

Creativity-Originality, personal touches

Completion – Finished and turned in on time, proper labeling on all work (name, period#)

Comprehension – following directions, demonstrating understanding of techniques

Directions for ipad app: BRUSHES

1. Arrange the flowers in an interesting display.
2. Open the camera and take a photo.
3. Hit the ipad's home button  Type in the **search** button: **Brushes**, then open the Brushes app.
